

Sponsorship Opportunities

Ahead of the 2025 National Brownfields Training Conference in Chicago, Grow America is convening Brownfield Redevelopment groups from across the nation. **Connect with these groups by sponsoring one or more of our gatherings.**

Welcome Reception

Monday, August 4, 2025, 6-8pm @ O'Brien's Riverwalk Cafe

Meet and mingle with Brownfields Revolving Loan Fund groups. Learn about their strategies, and get ready to jump into our session the next morning.

As our **Gold Sponsor (\$5,000)*** you will:

- Receive recognition at the reception
- Be invited to distribute printed materials
- Have logo featured in event materials

As our **Silver Sponsor (\$3,500)***, you will:

- Receive recognition at the reception
- Be invited to distribute printed materials
- Have logo featured in event materials

*Anyone desiring to support the entire reception as a **Diamond Sponsor (\$8,500)**, you will receive all of the reception sponsorship benefits, plus be invited to participate in short welcome remarks at the Pre-Conference Workshop and receive a complimentary registration to the National Brownfields Training Conference.

Pre-Conference Workshop

Tuesday, August 5, 2025, 8am-1pm @ Chicago McCormick Place

This deep-dive workshop will convene existing and prospective EPA Brownfields Revolving Loan Fund groups to discuss lessons learned and best practices.

As our **Platinum Sponsor (\$9,100)**, you will:

- Be invited to participate in short welcome remarks at the session kick-off
- Receive recognition at the workshop
- Be invited to distribute printed materials
- Have logo featured in event materials
- Receive a complimentary registration to the National Brownfields Training Conference

Interested in sponsoring? Reach out to epa-rlf-tab@growamerica.org

As the national **Technical Assistance for Brownfield (TAB) for EPA Revolving Loan Funds**, Grow America and International City/County Management Association (ICMA) provide financial technical assistance to strengthen EPA Brownfields Revolving Loan Fund (RLF) programs.
